Date: 4th October 2020

Mr. Kent D. Sission
FAEA Executive Director
E.mail: kentsisson@faealliance.org.

Subject: Appreciation for FAEA's willingness to assist in establishing laws and regulations

I am pleased to have your kind positive response on assisting us with technical and financial support in establishing necessary laws and regulations.

As a good news, the Animal Health and Livestock Development Law was enacted by Pyidaungsu Hluttaw (Union Parliament) and endorsed by the President on 26th Aug, 2020. Therefore, we are preparing for publishing the law and also drafting the related regulations and directives.

In view of the current situation of COVID-19 and its related control measures, we understand that it can not be possible to travel in short term. Thus, we will arrange virtual meetings during 2nd week of Nov, 2020 (if it is appropriate for you) to share current status on establishing our laws and regulations and our specific needs for implementing those laws and regulations.

Thank you once again and look forward to your support in the successful implementation of our laws and regulations.

Yours Sincerely,

For Director General,
(Dr. Hnin Thidar Myint, Director)
Planning, Statistics, International Relation and Information Technology Division
Livestock Breeding and Veterinary Department
Ministry of Agriculture, Livestock and Irrigation
